TOWN WARRANT

To the inhabitants of the Town of Lancaster qualified to vote in the town affairs:

You are hereby notified to meet at the Town Hall in said town on the second Tuesday of March next, at 10 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Town Clerk for the ensuing year.

2. To choose one Selectman for three years, a Treasurer, a Prosecuting Agent, one Trustee of trust funds for three years, three members of the Col. Town Spending Committee for three years and other necessary officers for the ensuing year.

3. To see what sum of money the town will vote to raise for the following purposes:

First: To meet current expenses of the town and apply on the principal and interest of the town debt.

Second: For Highways and Bridges, Town Maintenance and State Aid Maintenance.

Third: For building and repairing sidewalks and sewers.

4. To direct how money raised for any of the above purposes be expended.

5. To see what sum of money the town will raise for the purpose of issuing and distributing circulars and other written or printed matter calling attention to the resources and natural advantages of the town, and direct how the same should be expended.

6. To see if the town will vote to authorize the Selectmen to hire money on temporary notes in anticipation of taxes, covering period from March 14, 1933 to the Annual Meeting 1934.

7. To see if the town will vote by ballot to adopt the Law of having a Town Manager for the year of 1933-34.

8. To see if the town will vote to choose a Budget Committee for the ensuing year.

9. To see if the town will vote to adopt the provisions of Chapter 163 of the Public Laws entitled, "Inspection and sale of dairy products."

10. To see what action the town will take in regard to discontinuing as open highways and make subject to gates and bars, the following parts of roads; the "Brook Road from the farm of Marietta Sedgell's to the estate of James Truland; the road from the farm of S. H. Emerson's to the so-called old Savage place; the Stebbins Hill road from the farm of George Morse's to the river road near Geo. Belanger's."

11. To see if the voters will empower the Selectmen to sell and deed the property acquired by tax sale deeds.

12. To transact any other business which may legally come before said meeting.

Given under our hand and seal at Lancaster, this 27th day of February, 1933.

D. J. TRULAND,
GEORGE E. STONE,
O. E. WENTWORTH,
Selectmen of Lancaster.

A true copy, attest:

D. J. TRULAND,
Selectman.

COL. TOWN SPENDING COMMITTEE

CHAIRMAN'S REPORT

With one exception the Committee that functioned during the past year has served the town in the capacity of Spending Committee for the past four years. This rather long experience has been valuable from two angles: (1) each member of the committee has become thoroughly familiar with the Will of Col. Town which is the guiding influence in the distribution of his Estate, and (2) a rather long-time program has been possible inasmuch as restrictions have been placed on Spending Committees that they cannot appropriate beyond one year. The same general policies and program has been carried on now for four years.

During the past year some changes have been made in the activities of the Spending Committee. The Camp in the east part of the town which was originally purchased for boys and girls was taken over during the year by the Spending Committee and has been put on an administrative basis similar to the Community House or the field back of the Community House. The usefulness of the camp was broadened to include not only boys and girls of the community but fathers and mothers as well. That it has met a real need in the community is proven by the fact that over 1500 people registered last year between July 1 and October 31. Vic Leavitt, the caretaker, proved a congenial host and took a whole-hearted interest in the welfare of the camp. A large part of its popularity during the year can be traced directly to him.

During the past year the Committee felt that the House was not being utilized as much as it should be. This condition is somewhat to be expected. When the structure was first built and new it had an appeal. As time passed and newness wore away naturally the number that used it was gradually decreased.

To encourage the use of the house for purposes other than basketball games, etc., the Committee during the year has established a free night for anyone in the town, over high school age, for recreational purposes and exercise. E. C. Reneau, a trained leader in this type of activity, has been present and supervised these activities. The experiment has proven quite successful in that the number has increased consistently each week. Should interest continue in the future as it has in the past more nights will be given to this thing and classes and other arrangements planned in order that everyone may secure as much pleasure and benefit from the building as possible.

The Community Field which has been completed was utilized last year very freely. All of the high school out-of-door sports were played on this field. Town teams used it in the late afternoon and evenings and some Sundays. It is becoming extremely popular and no doubt will be used more in the future. Consideration was given during the year to adding one or two tennis courts to the field. Because of the uncertainty of income this work was postponed. It is hoped that sometime in the near future this addition can be made as many requests have been received from those who like to play tennis and no satisfactory public courts are available in town at present.

One of the most important projects carried on by the Committee is the Scholarship Fund. At present 12 young people in the town of Lancaster are receiving loans from this Fund to aid them in

the securing of higher education or advanced training. This number does not include the two girls that were in charge of the playground. The Committee is indebted to Mr. D. M. White, Chairman of the Scholarship Committee, for his conscientious service and untiring efforts in assisting to handle this project. The Committee feels that the town of Lancaster must be better because of this piece of work which makes possible wider educational opportunities to this group.

Your Committee senses keenly the fact that no one appropriation will or can please everyone. It has endeavored, however, to make available as many activities as possible so that somewhere in the group everyone in the town will be deriving some pleasure or benefit. The range of activities as carried on at present includes the playground for the very young, the community camp, skating rink, free golf, recreational activities in the House and at the community field, for those who are interested in out-of-door life or athletics; sponsoring the Chautauqua, the Lancaster Band, the use of the House proper for social and recreational purposes, the Juvenile library, which activities should provide pleasure for those who do not care for athletics or outdoor activities but do enjoy music, lectures, or indoor entertainments; providing transportation of our rural students, scholarship fund, etc., should build a better citizenship for the future and should offer a real consolation to parents that this means is available to assist them in the education of their children. The Hospital Auxiliary is also aided and a burden removed from many shoulders thereby.

There are no doubt some in town who feel that some appropriations have been made unwisely. It is hoped that they will bear with the Committee in their effort to meet the problem that Col. Town left in willing his estate to the town and not to any group or individual. In meeting this situation

some appropriation which the Committee makes that may seem unwise to some individual may seem extremely wise to someone else. It is no doubt true that there are some in the town who as yet are not receiving any benefit from the Fund. The Committee hopes that as time makes further funds available sufficient activities may be added to those that are now carried on so that the wish of Col. Town may be fulfilled completely in that every citizen of the town will receive some benefit and pleasure from his estate.

Respectfully submitted,
DAN A. O'BRIEN,
Chairman.

SECRETARY'S REPORT

At the Town Meeting of 1932, D. A. O'Brien, Enos G. Fay and Miss Evelyn Moyle were elected for a period of three years to the Col. Town Spending Committee. The Committee as it is made up at present are: Harold Alden, Carroll Stoughton, Mrs. Katherine Lane, term expires 1933; Fred C. Congdon, Dr. Wm. M. Bronson and Mrs. Fanny W. Moses, term expires 1934; D. A. O'Brien, Enos G. Fay and Miss Evelyn Moyle, term expires 1935.

The officers for 1932: D. A. O'Brien, Chairman; Miss Evelyn Moyle, Secretary; Enos G. Fay, Treasurer.

To administer the various activities sponsored by the Col. Town Spending Committee the following standing committees for the year were appointed: Community House—Dr. Wm. Bronson, Fred Congdon, Mrs. Fanny Moses; Community Field—Enos Fay, Carroll Stoughton, Dr. Wm. Bronson; Community Camp—Harold Alden, Mrs. Katherine Lane, D. A. O'Brien; Col. Town Scholarship Committee—D. M. White, Mrs. Fanny Moses, Carroll

Stoughton; Community Playground—Mrs. Katherine Lane, Fred C. Congdon, D. A. O'Brien; Committee on School Activities—Fred C. Congdon, Carroll Stoughton, Miss Evelyn Moyle.

Appropriations from the Fund may be divided into two groups, those that were established either through stipulations in the Will or at Town Meeting which are fixed and those that are granted from the remaining surplus which are acted upon by the Committee. Of the former, during the year the Committee paid the annual installment on the Community House with the interest for the remaining part, appropriated for the Boy Scouts, Col. Town Prizes, and flowers for Col. Town's grave.

Of the latter, through the careful administration of the Fund by the Trustees, the surplus permitted the Committee to support the following activities:

Guaranteed the Chautauqua for the past year making possible this week of entertainment to the town without tax on any individual. The playground which had an average attendance for the year of nearly 100 children daily was maintained with two supervisors. The policy of the committee for the last two years has been to hire as supervisors only people that were going away to college. The playground really answers two purposes—provides an outlet for wholesome worthwhile recreation for the children and at the same time provides an income for one or two who are attempting to get a higher education.

Considerable expansion was made at the Community Camp during the year. This Camp has been provided with two arches which were used freely; has two cabins and several tents. During the latter part of the season some of the older buildings were torn down and a recreation hall was constructed. An appropriation of \$400 has been made to

tear down the old buildings and build the new. A superintendent of the Community Camp was maintained during the year.

Col. Town Spending Committee assumed the prizes at the Lancaster Fair for 4-H boys and girls that resided in the town of Lancaster.

An appropriation was made for equipment for baseball at the Community Field, this equipment to include things other than uniforms or balls and to be the property of the community field.

Support this year was continued for the Juvenile Library, a branch of the public library in town.

The Scholarship Fund, one of the largest expenditures made by the committee, was expanded during the year. Some students aided in previous years were continued and new ones were added. The maximum annual new loan to an individual was reduced to \$150 in order that the number to receive the benefit could be increased.

An appropriation was made to the Lancaster Band which gave in return free concerts during the summer.

Support was given to the Lancaster Hospital Auxiliary which has relieved solicitation on the part of this organization in town and continued the excellent work they are doing.

The High School Orchestra was given financial support by purchase of a viola, one of the larger and more expensive instruments to become property of the School. The Spending Committee has bought several of the expensive and larger instruments in the high school orchestra.

The Spending Committee pledged itself to guarantee the return of the Chautauqua for 1933—to pay the guarantee not to exceed \$500 should this organization experience a deficit.

Appropriation was made to the Golf Course with the understanding that any resident of the

town of Lancaster could play without payment of a fee on Wednesday during the entire golf season.

The Committee appropriated \$1300 for the transportation of high school students in the town of Lancaster living beyond a 2-mile limit from the high school building. This appropriation was requested by a committee from the outlying district and seems to meet a real serious need.

A small appropriation was made to assist in maintaining a skating rink which has served such a useful purpose in the town during the winter months.

Support was given to extra curricula activities in the high school, making possible worthwhile projects that otherwise would have been omitted.

During the year the Committee changed the House rules to meet financial conditions of the time. For organizations putting on benefits, where the income from the entertainment was to be used wholly for benefits except such part as was necessary for actual expenses, the hall rent was to be donated as a part from the Col. Town Fund in the charitable endeavor. This change was to apply to the season of 1932-33.

Respectfully submitted,

EVELYN MOYLE,

Secretary.

A fairly accurate survey of the use made of the building discloses:

(a) Patrons paid for and rolled 1100 strings on the alleys. (This does not include the vast number of strings rolled by school pupils for which no charge is made.)

(b) The Hall has been used for basketball activities a total of 300 hours.

(c) Parties 24, Dances 7, Basketball games 20, Committee meetings 57.

The Boy Scouts meet each week except during the summer months. Unity Club meets twice a month with the exception of June, July, August and September. Loyal Temperance Legion and W. C. T. U. Meetings are held except in the summer months. The Grangers have held two District meetings. Prize speaking contest, Graduation exercises, Reception and Flower Show were held in the auditorium.

Three hundred visitors have been shown through the building the past year.

REPORT OF SCHOOL COMMITTEE

Mr. Chester Marshall was re-elected at the last meeting of the school district.

The Board members feel that the schools in the town are operating in a most satisfactory manner, and it is their desire to maintain the schools at their present level of efficiency, while endeavoring to make all possible economies.

For a detailed report you are referred to the report of the Superintendent.

WILLIAM R. GALBRAITH,
RALPH D. SHUTE,
CHESTER MARSHALL,

School Board,

Town District of Lancaster.

Lancaster, N. H., Feb. 15, 1933.

REPORT OF THE SUPERINTENDENT

*To the Honorable School Board and Citizens
of Lancaster:*

This is the fourteenth school report since state-wide supervision was adopted.

General Conditions

Considerable shifting of the school population has occurred during the current year, due to the unsettled economic conditions.

Teachers

One new teacher was added to the teaching force this year, namely Mildred Evans, who is teaching at South Lancaster. Miss Evans is a graduate of Keene Normal, and has had four years of experience.

Repairs

The Schools at Martin Meadow and at Gore were reshingled this past summer. Interior painting was done at six of the schools, and all of the buildings are in fine condition. New fences were built at Martin Meadow and Stebbins Hill.

Health

The annual inspection by the school physician was carried out early in the year. The follow-up work of checking on the physical defects was carried out by the school nurse.

Finances

A substantial cut in the cost of the schools was made this year by economies in several lines. Any other reduction in school cost must be made by the consolidation of the schools with small enrollment.

Conclusion

In these times of trouble and stress, the great need is for a return to the fundamentals, and the elimination of frills and fads. In all ages the American people have demanded good schools, as they realize that each individual must reason out his own problems.

“Civilization is a race between education and disaster.”

WILLIAM G. FULLER.

TABLE I
School Year 1931-1932

Schools arranged according to excellence of attendance, as follows:

Laura S. Kimball, No. 10, Plymouth Normal.

Eleanor Sanderson, No. 11, Plymouth, Boston U., S. S.

Amelia Morse, No. 15, Salem Normal.

PUBLIC HEALTH NURSE'S REPORT

To the School Board of Lancaster Town District :

The following report is respectfully submitted by me, as Public Health Nurse, of Lancaster, having the Town Schools under my supervision.

The physical examination of all pupils was completed by Dr. William Bronson, with my assistance during September and October. These examinations consist of weighing and measuring the children, inspecting teeth and tonsils, examining heart, observing whether or not any skin condition exists, checking up on goitre and ascertaining whether or not the child has been vaccinated.

After the completion of the physical examinations, each parent, having children showing any defects, are notified by means of a defect card outlining the nature of the defect and bearing the signature of the school physician.

In the rural schools, I have outlined a program which in my opinion will forcibly bring to mind the necessity and the benefits derived from the foundation of good health habits.

Each child is given individual health inspection and when defects are found, I visit the homes of such children with the hope of correction.

Children are taught the importance of the care of the teeth, personal hygiene, cleanliness, proper diet, sufficient amount of sleep and importance of fresh air and exercise.

Hot lunches are still continued and found to be very beneficial to the health of the children.

ALICE C. MONAHAN,

Public Health Nurse.

Lancaster Public Library

The Lancaster Public Library in the Weeks Memorial building will, on the 20th day of March, complete its 25th year, and during this last year it has exceeded by nearly 2,000 the usual number of adult books alone given out annually.

While there are many books called for, that are not chosen, the book committee *has* to discriminate that they may be able to suit all of the people a part of the time.

There has been added to the Library this last year 125 books, besides a gift of 18 desirable volumes from the late Eri Oakes library, also a complete set of Dickens Works.

Seventy dollars and seventy-five cents has been received in fines and turned over to the Treasurer.

On July 1st, two Trustees and two Librarians had the pleasure of attending the North Eastern Library Conference held in Bethlehem.

On October 27th, the District meeting of Librarians and Trustees of some of our northern towns met with us, and the meetings were held in the Library in the morning and in the Community House in the afternoon.

These, I think, are the main features of the year.

MARTHA W. BRACKETT
Librarian.

Juvenile Library Report

Points of great interest during 1932 were the activities centering about Book Week, which were carried on with the cooperation of the Grammar grades of the school and business men of the town. Prizes of books were sponsored by the Unity and Rotary Clubs which increased the interest and enthusiasm of the participating pupils.

The exhibit of Indian craft made by the Third grade children of the Jefferson Hill school, under the direction of Miss Betty Tufts, and a picture map of New Hampshire, crated much attention and admiration.

The librarian attended one day of the Northeastern Library Conference held at Bethlehem in June, and gained much information of value. Eric Philbrook Kelly, a professor at Dartmouth College, and author of several children's books on Poland, read a most interesting paper.

Thirty books from the late Judge Oakes' private library were given to the Juvenile department, and fifty-one books were brought, making a total of 81 added during 1932.

Twenty dollars was collected from fines, and turned in to the treasurer.

The total circulation of books was 6,318, showing an increase over that of last year, showing that the Juvenile department is doing an even greater work than before.
